Julie Rogers "Gift of Life" Program

Providing education, mammography screening and access to treatment for women in Southeast Texas.

December 4, 2000

Mr. Jim Love
Clear Channel Radio
2885 IH 10 East
Beaumont, Texas 77702

Dear Jim,

Thank you so much for the wonderful coverage Clear Channel Radio gave to the "Gift of Life" Program's fifth annual "A Lifesaving Affair" luncheon and activities during October, National Breast Cancer Awareness Program. This year's event was attended by 1,300 guests and helped raise funds needed to continue the program's mission of decreasing the incidence of death associated with breast and prostate cancer in Southeast Texas through educational outreach and free mammogram and prostate screenings.

Activities during October included educational outreach meetings with presentations by breast cancer survivors and health care professionals that were conducted at numerous churches, businesses, civic organizations and state agencies throughout Jefferson County. In addition, free mammograms were made available to 297 women with limited financial means on the UTMB mobile mammography van situated at eight locations over a period of nine days, along with 128 free mammograms provided at Baptist Hospital. A Breast Health Forum featuring speakers from The University of Texas M.D. Anderson Cancer Center was also conducted for 175 health care professionals, informing them of the latest advances in breast cancer treatment.

We are so grateful for your continued support of our efforts and wish you a happy holiday season.

Yours truly,

Kristie

Dear Jim,

The Alumni Association's *Giddyup Gala* was a huge success with more than 450 attending! It is with deep appreciation and gratitude that we thank you for producing and airing the radio promotion. They were the best ever and we are positive that they were directly responsible for our great crowd. We were proud to include *Clear Channel Communications* as one of our sponsors.

The much needed funds raised from the event will be used to provide scholarships, aid in student recruiting, and keep our valued alums involved with Lamar. Great things are happening at our university and a new energy surrounds us. Our commitment to education, our alumni, and the community is stronger than ever. We are thrilled that you want to be a part of this excitement!

Again, thanks for rustlin' out and helpin' us! We certainly could not have done it without you — and wouldn't want to!

Dear Friend of the Coalition for Victims of Violence:

I am writing on behalf of the Coalition for Victims of Violence to thank you for your help with our recent Candlelight Vigil, held on Thursday, April 13, 2000.

Enclosed with this letter, please find a certificate which expresses our appreciation for your contribution to our efforts.

Each year, the Coalition for Victims of Violence works through the Candlelight Vigil and other efforts to try to help victims of violence heal from the tragedies they have suffered. It is only with the efforts of many persons and groups that this healing process can occur. We thank you for being part of the solution, not the problem.

Sincerely,

On behalf of the Board of Directors of the Society and the Museum of the Gulf Coast staff, I would like to express our sincere thanks for your participation in the *Port Arthur News* Homecoming Roast honoring native son Tom Hicks. As you probably know, this year's event raised over \$65,000 for the museum.

It is through the generosity of donors like you who make it possible to undertake necessary capital improvements and thus maintain the valuable educational and cultural asset that the museum is to the entire community. Again, we deeply and sincerely appreciate your support.

Dear Karen:

Thank you for your generous contribution to the Volunteer Services Council for Beaumont State Center's 6th annual charity golf classic. Since the inception of our charity golf classic we have raised over \$42,000. This year's tournament was our biggest and best tournament yet! We had 224 golfers and raised over \$13,000 in net proceeds.

We can attribute much of this year's success to your very generous contribution. It is because of the genuine concern and support of organizations like yours that we are able to continue providing much needed services to children with developmental delays and adults with mental retardation.

We are particularly pleased that you selected our program for your support, and we are deeply grateful. We hope that you will consider our tournament again when budgeting for your FY 2001.

Dear Friends,

With the holiday season upon us and a new year just around the corner, it seems appropriate to reflect on the many accomplishments of the past year. Accomplishments, that without you, our friends and sponsors, would not have been possible. Your enthusiasm and kind hearts enabled MDA to continue to provide an extensive array of services to those coping with neuromuscular disease here in the Southeast and East Texas area.

Your support has helped fund our clinic at HealthSouth, as well as vital research projects designated for finding treatments and cures for 43 neuromuscular diseases. MDA has provided over \$1.4 million for local research at the Baylor University Medical Center in Houston. MDA's summer camp at "Camp for All" was once again a successful week, in which children with neuromuscular disease were free to push their limits and break through barriers present in their everyday life. Not only have we seen a significant increase in the number of campers, but we have also been able to reach out to more families through an MDA Support Group for ALS.

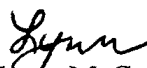

2003 has certainly been a year of advances for the families we serve. It is you, our sponsor and friend, who has made this happen. Thank you for being on our team. Your generosity provides hope, which is sometimes, the best gift of all.

Wishing you a happy and healthy holiday season and a 2004 that is full of hope.

Dear Larry:

On behalf of Catholic Charities and *Elijah's Place*, we would like to thank you and KFDM-TV Channel 6 for your generosity in selecting our new program as a project, providing media coverage for the ongoing grief support services now available to our community. While we are always appreciative of the quality news coverage you and your staff provide, we are truly grateful for the commitment you have made to support our efforts.

We would like to extend a special thank you to Gina Hinson and Sean McBride from the promotions department, recognizing their time and talent in making the coverage so meaningful and effective. Of course, we can never thank Bill Leger enough for his vision, expertise and professionalism (a true talent and gift from God). You are fortunate to have such a dedicated, skilled and effective Team of employees. It is always a pleasure working with each of them.

Thank you again, for enabling such an effective and successful "kick-off" of our new program, *Elijah's Place*. The grieving children of Southeast Texas, and their families, will be able to find hope and comfort through the support sessions, because you helped us get the word out. We are truly blessed!

Dear Gina,

I have worked in the television industry long enough to know that every year dozens of businesses and non-profit agencies call upon you for airtime and sponsorships. I also know that due to time constraints and limited budgets you are only able to grant a few of those requests each year. Knowing all of this Gina makes me realize even more how blessed The Salvation Army is to have KFDM agree to sponsor our Toy Drive each year. However, please know that we don't take that privilege for granted.

The demands on the officers at each of our corps in the Golden Triangle are unrelenting. They are literally on call 7 days a week. People with every kind of problem you can think of coming to them when they have nowhere else to turn. ***"Need Knows No Season"*** and so when the Christmas decorations are long forgotten, the kettles stored until next Christmas the officers are still counting on the generosity of the residence of Jefferson and Orange counties to help keep their doors open and for 100 years they have never let us down.

Our heart felt thanks Gina to you and the entire KFDM family for believing in the mission of The Salvation Army, we will never let you down.

RE: Helena Park Elementary School Fall Festival

Dear Gina:

I want to thank you for your very gracious contribution in helping us with our annual Fall Festival. Without the generous help of businesses such as yours, our festival would not reap the continued success generated year after year and we appreciate your help so very much. Our children are our future and proper equipment and supplies are essential in creating a well rounded school atmosphere and the Fall Festival is Helena Park Elementary PTA's main fund raiser.

This letter will serve as receipt for your generous donation for the Helena Park Elementary School Fall Festival, located in Nederland, Texas and held on November 20, 2003.

Sincerely,

Nikki Brackin,
Chairman
